Education and Professional Experience

Private Practice:	Limited to fixed prosthodontics	1981-present
	More than 4,000 implants restored, 4,000 veneers placed	
Board Certification:	Fixed Prosthodontics	1985
Specialty Education:	Certificate in fixed prosthodontics, Emory U.	1981
Dental Education:	D.M.D., Fairleigh Dickinson U, with honors	1976
College Education:	BS, University of Tennessee	1972

Faculty/Corporate Appointments

Prosthodontic Mentor, Lecturer, and Consultant Implant Innovations, Inc.	1991-present
Emory U. Continuing Dental Education Advisory Board	1987-present
Clinical Council, <i>Clinical Contours</i> , dental journal sponsored by Brasseler USA	1997- 2002
Consultant, US Army Dentac, Ft. Benning, GA	1993-1997
Media Contact, Northern District Dental Society	1993
Special Lecturer in Graduate Prosthodontics, Emory U.	19881991
Clinical Instructor Department of Graduate Prosthodontics, Emory U.	19811988

Professional Honors and Memberships

Editorial Advisory Board, Journal of Implant and Reconstructive Dentistry	2008 - present
Editorial Advisory Board, Journal of Implant and Advanced Clinical Dentistry	2008 - present
Editorial Reviewer, The Journal of Prosthodontics	2006 - present
Fellow, International College of Dentists	2005- present
Diplomate, American Board of Prosthodontics	1985 - present
Fellow, American College of Prosthodontists	1985 - present

Dentistry Today's Top Clinicians in CE	2005 - present
Honorable Fellow of the Georgia Dental Association	1998, elected
Omicron Kappa Upsilon Dental Honor Society	1976, elected
Academy of Osseointegration, Program Committee, Moderator, Annual Meeting	2001
Selected as William Gies Honorary Lecturer, Greater NY Dental Meeting	2006
Implant Committee of The American College of Prosthodontists	1996
Past President, Ga. Section of the American College of Prosthodontists	1991
International College of Prosthodontists	1995-present
The Best Dentists in America 2004-2005	2003 elected

DVD's and Online Courses

- CAD/CAM Abutments for Implant Dentistry, An Interactive Learning Program Featuring George Priest, DMD, 3i IDS Learning Library 2006.
- Live Web Seminars, Esthetic and Implant Dental Online CE Courses Featuring George Priest, DMD, 2006-2008.

Presented More than 300 Lectures and Courses Nationally and Abroad

- (Upcoming) Boston, MA, November 11-13, 2011, Topic – TBD, Full day seminar presented at the Northeast Orthodontic Society.
- (Upcoming) Miami, FL, June 26, 2010, Topic – TBD, Seminar presented at the Biomet 3i Global Sales Meeting.
- (Upcoming) Boston, MA, June 10-13, 2010, Long-term prosthodontic implant solutions for periodontically challenged patients, Seminar presented at the International Symposium of Periodontics & Restorative Dentistry.

- (Upcoming) Anaheim, CA, May 13-15, 2010, Topics- TBD, 2 day meeting sponsored by the California Dental Association.
- (Upcoming) Roanoke, VA, May 7, 2010, Keys to Optimal Implant Esthetics and Young Implant Patients, Full day seminar presented at the Roanoke Valley Dental Society.
- (Upcoming) Atlanta, GA, March 25-27, 2010, Topics – TBD, Four half day seminars presented at the Hinman Dental Meeting including hands-on course.
- (Upcoming) Austin, TX, February 5, 2010, Topic – TBD, Full day seminar presented to the referral base of Dr. Craig Fusilier.
- (Upcoming) Ft. Lauderdale, FL, January 20, 2010, Topic – TBD, Evening lecture presented to the referral base of Dr. Bob Holt.
- (Upcoming) Metairie, LA, January 16, 2010, CAD/CAM implant technology, Full day seminar presented to the referral base of Dr. Israel Finger. Hands-on course.
- (Upcoming) Chicago, IL, December 4, 2009, Topic – TBD, Presented at the AAOMS Dental Implant Skills Meeting.
- (Upcoming) Wilmington, DE, October 23, 2009, Keys to Optimal Implant Esthetics, Full day seminar presented at the Delaware State Dental Society annual meeting.
- (Upcoming) Arlington Heights, IL, October 14, 2009, Topics – TBD, Full day seminar presented to the referral base of Dr. Terry Sandroff.
- (Upcoming) West Chester, NY, October 7, 2009, Topic – TBD, Evening seminar sponsored by Biomet 3i.
- (Upcoming) West Palm Beach, FL, September 25, 2009, Topic – TBD, Full day seminar VIP Program sponsored by Biomet 3i.
- (Upcoming) Amelia Island, FL, July 3-5, 2009, Keys to Optimal Implant Esthetics. Half day lecture sponsored by the Emory Continuing Medical and Dental Education.
- (Upcoming) Monterrey, CA, June 26, 2009, Keys to Optimal Implant Esthetics, Full day seminar presented at the 44th Annual Burke Dental Symposium.
- (Upcoming) Binghamton, NY, May 15, 2009, Keys to Optimal Implant Esthetics, Full day seminar presented at the Sixth District Dental Society NY meeting.
- (Upcoming) May 8, 2009, Keys to Optimal Implant Esthetics, Full day seminar presented at the Southeastern District of the Georgia Dental Association meeting.
- (Upcoming) Hartford, CT, May 7, 2009, Smile line revitalization with crowns, veneers and implants. Full day seminar presented at the CT State Dental Association annual meeting.
- (Upcoming) West Palm Beach, FL, May 1, 2009, Prosthodontic Roundtable: Implant Technology, Full day prosthodontic roundtable presented with Dr. Gary Morris.
- (Upcoming) Chicago, IL, April 23, 2009, New Solutions for Enhanced Aesthetic Restorations, Evening seminar sponsored by Biomet 3i.
- (Upcoming) Detroit, MI, April 22, 2009, New Solutions for Enhanced Aesthetic Restorations, Evening seminar sponsored by Biomet 3i.

- (Upcoming) West Chester, PA, April 17, 2009, Keys to Optimal Implant Esthetics and Implants in the Edentulous Mandible, Full day seminar presented to the OMS Association of Chester County.
- (Upcoming) Naples, FL, April 11, 2009, Keys to Optimal Implant Esthetics, Half day seminar presented to the referral base of Dr. Robert Payne.
- Mt. Pleasant, PA, March 27, 2009, Single Implants in the Esthetic Zone, Full day seminar presented to the referral base of Dr. Ed Halusic and Dr. Bender.
- Annapolis MD, March 18, 2009, Topic - TBD, Sponsored by Biomet 3i.
- Chicago, IL, February 27 2009, Smile line revitalization and Keys to optimal implant esthetics. Sponsored by the Chicago Dental Society, Midwinter Meeting.
- San Diego, CA, February 26, 2009, Enhancing Implant Esthetics with Contemporary Technologies. Presentation made at the AO Corporate Forum.
- Charlotte, NC, February 18, 2009, Esthetic Success with Single Implant Restorations, Evening seminar presented to the referral base of Dr. Eric Corsig.
- Newport News, VA, February 13, 2009, Keys to Optimal Implant Esthetics and Implant in the Edentulous Maxillae, Full day seminar presented to the Peninsula Dental Society.
- Cincinnati, OH, February 11, 2009, Keys to Optimal Implant Esthetics and Implants in the Edentulous Maxillae, Full day seminar presented to the referral base of Dr. Jimmie Harper.
- Boston, MA, January 28 – January 29, 2009, Keys to Optimal Implant Esthetics and Young Implant Patients, Two full day seminars sponsored by the Yankee Dental Congress.
- Decatur, GA, January 16, 2009, Keys to Optimal Implant Esthetics, Full day seminar sponsored by the GA Academy of General Dentistry
- New York City, NY, December 5-6, 2008, Young Patients and Esthetic Implant Outcomes, Sponsored by the Greater NY Academy of Prosthodontics.
- Fredericksburg, VA, November 21, 2008, Young implant patients and Adjacent implants, Full day seminar presented to the referral base of Dr. Robert McGrail.
- Richmond, VA, November 20, 2008, CAD/CAM Abutments and Bars, Prosthodontic discussion/roundtable sponsored by the 3i Smoky Mountain Region.
- Sacramento, CA, November 14, 2008, Single and Multiple Implant Restorations, Morning seminar presented to the referral base of Dr. Gordon Douglass.
- West Palm Beach, FL, November 5, 2008, Young Implant Patients, Full day seminar presented to the referral base of Dr. Holt and Dr. Gutierrez.
- Denver, CO, November 3, 2008, Raising the bar for esthetics with single and multiple implant restorations, Presented to the Colorado Prosthodontic Society.
- Dublin, Ireland, October 31, 2008, Young patients and esthetic single implant outcomes. Seminar presented to the Royal College of Surgeons in Ireland.
- Stuart, FL, October 24, 2008, Young implant patients and Adjacent implant restorations, Full day seminar presented to the Sailfish Study Club.

- Columbia, SC, October 20, 2008, Young patients and esthetic implant outcomes, Evening lecture presented to the Greater Columbia Dental Association.
- Chicago, IL, October 18, 2008, Reinforcing the team approach in implant dentistry, Presented with Dr. Paul Korb at the IDIA meeting hosted by Cynthia Bollinger.
- Meriden, CT, September 19, 2008, Young implant patients and adjacent implants, Full day seminar presented to the referral base of Dr. Marianne Urbanski.
- Wausau, WI, September 6, 2008, Smile line revitalization and implants in the edentulous maxilla, Presented to the Wisconsin Prosthodontic Society.
- Bogotá, Columbia, August 27, 2008, Esthetic implant restorations in young patients. Seminar presented to the Colombian Prosthodontic Association.
- Sarasota, FL, August 23, 2008, Implants in the Esthetic Zone: The prosthodontist's role in soft tissue development, Florida Prosthodontics Association Annual Meeting.
- Charleston, SC, July 12, 2008, New restorative implant technologies, Lecture presented at MUSC for the Department of Oral Surgery.
- Amelia Island, FL, June 28-30, 2008, Young Patients and Esthetic Implant Outcomes and Smile Line Revitalization, 2 half day lectures sponsored by the Emory Continuing Medical and Dental Education.
- Williamsburg, VA, June 21, 2008, Young implant patients and smile line revitalization, Presented to the Virginia Dental Association.
- Upland, CA, June 13, 2008, single and adjacent implant restorations, Full day seminar presented to the referral base of Dr. Kopic.
- San Antonio, TX, May 1, 2008, CAD/CAM Precision: The New Reality for Implant Restorative Protocols; Smile Revitalization with Crowns, Veneers and Implants. 2 half day seminars sponsored by the Texas Dental Association.
- Chicago, IL, April 26, 2008, Guided Soft Tissue Healing and Provisionalization – Impact on Implant Esthetics, Presented at the 3i Global Symposium.
- Charleston, WV, April 18, 2008, Single implant restorations and implants in the edentulous maxilla, Full day seminar hosted by the Midtown Dental Laboratory.
- Ontario, Canada, April 11, 2008, Effective Protocols in the Esthetic Zone, and Ceramic Veneers: Technology and Techniques. Sponsored by the Ontario Dental Association.
- Charleston, SC, March 21, 2008, Young Patients and Esthetic Implant Outcomes, Implants in the Edentulous Maxilla, Full day seminar presented to the referral base of Dr. Courtney Shelbourne.
- Atlanta, GA, March 13-15, 2008, Progressive Veneer Techniques, Young Implant Patients, Esthetically Challenging Patients, Adjacent Implants. Four half day seminars presented at the Hinman Dental Meeting.
- Petersburg, VA, March 7, 2008, Technology Driven Practice Growth and Improved Patient Care. Full day seminar presented to the referral base of Drs. Ragsdale and Slagle.
- Valley Forge, PA, February 29, 2008, The Revitalization of Smiles with Implant Dentistry, Full day seminar presented at the Valley Forge Dental Conference.

- Boston, MA, February 28, 2008, Emerging Technologies to Enhance Esthetic Implant Outcomes. Seminar presented at the Corporate Forum of the Annual AO Meeting.
- Newport News, VA, February 15, 2008, Young Patients and Esthetic Implant Outcomes and Smile Line Revitalization with Crowns, Veneers and Implants. Full day seminar sponsored by the Peninsula Dental Society.
- Palm Beach Gardens, FL, February 9, 2008, Young Patients and Esthetic Implant Outcomes and Smile Line Revitalization with Crowns, Veneers and Implants, Full day seminar presented to the referral bases of Dr. Tom Stone and Dr. Clay Fuselier at the 3i Institute.
- Kansas City, KS, February 8, 2008, Esthetically Challenging Patients and Young Patients and Implants. Full day seminar sponsored by the Greater Kansas City Dental Society.
- Birmingham, AL, February 2, 2008, Single and Multiple Implant Restorations, Ceramic Veneers. Full day seminar presented to University of Alabama School of Dentistry Alumni.
- Hilton Head, SC, January 25, 2008, Single Implant Esthetics and Implants in the Edentulous Maxillae. Full
- Englewood, CO, December 14, 2007, Esthetic Challenge of Single and Multiple Implants. Full day seminar presented to the referral base of Dr. Tom Stone.
- New Orleans, LA, December 6, 2007, Achieving Optimal Esthetic Results with Dental Implants. Afternoon seminar presented to the referral base of Dr. Michael Block.
- Krakow, Poland, November 23, 2007, Esthetic Challenge of Adjacent Implants. Presented at the CEIA Symposium.
- Amsterdam, Holland, November 8-9, 2007, CAD/CAM Implant Frameworks and Bars. Presented at a VIP meeting and the Dutch Society NVOI.
- Edison, NJ, October 31, 2007, Esthetic Success with Single Implant Restorations, Full day seminar presented to the referral base of Northeast Periodontal Group.
- Boston, MA, October 19, 2007, Esthetic Challenge of Adjacent Implants, Young Patients and Implant Esthetics, Full day seminar presented to the referral base of the North Shore Periodontal Prosthetic Study Club.
- Chicago, IL, October 17, 2007, Anterior implant esthetics, Seminar presented at the Aiden Morris Memorial Symposium.
- Kalamazoo, MI, October 5, 2007, Implant Rehabilitation of Edentulous Maxillae and Maxilla, Full day seminar presented to the referral base of Drs. Slack and Kay.
- Lansdale, PA, October 3, 2007, Emerging Technologies to Enhance Implant Outcomes, Evening seminar presented to the referral base of Dr. Roger Spampata.
- San Francisco, September 28, 2007, Esthetically Challenging Patients and Young Patients and Implants, Annual ADA Meeting.
- San Francisco, September 27, 2007, Esthetic Success with Single Implant Restorations: An Interdisciplinary Approach, Annual ADA Meeting.

- Columbus, OH, September 14, 2007, Young Patients and Esthetic Implant Outcomes, Esthetic Challenge of Adjacent Implants, 2-Half day lectures presented at the Ohio Dental Association Meeting.
- Suwanee, GA, July – Sept, 2007, Strategies for Success with Implant Dentistry, 6 evening sessions hosted by Dr. Paul Korb.
- Bogotá, Columbia, July 14, 2007, Esthetic Challenge of Multiple Implants, Sponsored by 3i/3M South America.
- Medellin, Columbia, July 13, 2007, Esthetic Challenge of Adjacent Implants, Sponsored by 3i/ 3M South America.
- Amelia Island, FL, July 6, 2007, Esthetic Challenge of Adjacent Implants, Sponsored by Emory University's Department of Continuing Medical and Dental Education.
- Doylestown, PA, June 13, 2007, Single and Multiple Implants and Esthetic Provisional Restorations, Full day seminar presented to the referral base of Dr. James Tamaroff.
- Boston, MA, June 7, 2007, Optimal results in the aesthetic zone with CAD/CAM implant abutments. Presented at the Periodontic and Restorative Dentistry International Symposium.
- Long Island, NY, May 30, 2007, Esthetic Challenge of Single and Multiple Implants, Full day seminar presented to the referral base of Drs. Siegel, Cebone and Mazzei.
- Atlanta, GA, May 18, 2007, Esthetic Challenge of Multiple Implants, Half day seminar presented at the 6th Annual Georgia ACP Spring Seminar.
- Brasselton, GA, May 12, 2007, Implant Rehabilitation of Edentulous Maxillae, Half day seminar presented to the SC Academy of Advanced Implant Studies of Columbia, SC.
- Live Web Seminar, May 3, 2007, Esthetic Provisional Restorations for Single Implants. Evening web conference hosted by Dr. Tom Faerber, Kansas City, KS.
- Honolulu, HA, April 20, 2007, Esthetic Challenge of Single and Multiple Implants., Full day seminar presented to the referral base of Dr. Craig Yamamoto.
- Ft. Myers, FL, April 6, 2007, Esthetic Challenge of Single and Multiple Implants, Full day lecture presented to the referral base of Dr. Ron Taschner.
- Pasadena, CA, March 21, 2007, Esthetic Challenge of Multiple Implants, Evening lecture presented to the referral base of Lyle, Tate and Stamper.
- Live Web Seminar, March 13, 2007, Esthetic Success with Single Implant Restorations: An Interdisciplinary Approach. Evening web conference hosted by Dr. Tom Faerber, Kansas City, KS.
- Lansdale, PA, March 7, 2007, Esthetic Challenge of Single and Multiple Implants. Full day seminar presented to the referral base of Dr. Bleiler.
- Providence, RI, February 28, 2007, Esthetic Challenge of Multiple Implants and Provisional Implant Restorations. Presented with Dr. Lee Walker to the Rhode Island Dental Association.
- Chicago, IL, February 22, 2007, Smile line rehabilitation, Presented at the Chicago Dental Society.

- Miami, FL, January 24, 2007, Predictable esthetics for single and multiple adjacent implants, Presented at the Pankey Institute.
- Grapevine, TX, January 12, 2007, Anterior Esthetics, Half day seminar presented to the referral
- Richmond, VA, December 8, 2006, Esthetic Challenge of Single and Multiple Implants, Full day lecture sponsored by VCU School of Dentistry.
- Palm Beach Gardens, FL, December 4-5, 2006, Meeting the Challenge of Rising Esthetic Expectations, Sponsored by 3i Institute.
- Chicago, IL, December 1, 2006, Black Triangles between Adjacent Implants, Presented at the AAMOS Meeting
- New York, NY, November 26-27, 2006, Esthetic Success with Single Implants, Implant Provisional Restorations, and Interactive Implant Instruction. Presented at the Greater New York Dental Meeting.
- Sterling VA, November 17, 2006, Anterior esthetics with implant restorations, Full day seminar presented to the referral base of Drs. Bluhm and Dorsch.
- Falls Church, VA, November 16, 2006, Immediate Implant Restorations, Evening Program hosted by Dr. Stu Graves.
- Wichita, KS, November 13, 2006, Esthetic Implant Restorations and Ceramic Veneers, Full day seminar sponsored by Wichita Dental Society.
- Live web seminar, November 8, 2006, New Frontiers in Implant Dentistry Innovations. Evening web conference sponsored by 3i-Canada.
- Meridian, MS, November 3, 2006, Ceramic Veneers and Smile Line Rehabilitation, Full day seminar sponsored by the Meriden Area Dental Society.
- Live web seminar, November 1, 2006, Technology Driven Practice Growth and Improved Patient Care, Evening web conference sponsored by Dr. Bob Payne, Naples FL.
- Las Vegas, NV, October 18-19, 2006, CAD/CAM Abutments and Bars, Ceramic Veneers, and Multiple Implants. Annual ADA Meeting.
- Live web seminar, October 12, 2006, Platform switching and implant rehabilitation for edentulous patients. Evening web conference sponsored by Dr. Paul-Henry Zottola & Fox Dental Lab, Rocky Hill CT.
- Zurich, Switzerland, October 5, 2006, New Frontiers in Implant Dentistry Innovations. Sponsored by the European Association for Osseointegration.
- London, England, October 1, 2006, Dental implants and restorative dentistry. Full day lecture presented to the referral group of Dr. Tim Thackrah.
- Bradford, England, September 29, 2006, The impact of technology on implant aesthetics and function, Full day seminar sponsored by ADI.
- Roanoke, VA, September 16, 2006, Collaborative Partnering in Implant Dentistry and Ceramic Veneers, Sponsored by Virginia Dental Association.
- St. Louis, MO, September 14, 2006, Single and Multiple Implant Restorations, Sponsored by the Greater St. Louis Dental Society.

- Live web seminar, September 12, 2006, Esthetic Provisional Restorations for Single Implants. Evening web conference presented to the referral base of Dr. Greg Toback, New London CT.
- San Jose, CA, September 8, 2006, Complex Implant Rehabilitations, Full-day seminar presented to the referral base of Los Gatos Oral and Facial Surgery.
- Live web seminar, August 23, 2006, Esthetic Success with Single Implants: An Interdisciplinary Approach. Evening web conference presented to the referral base of Dr. Marty Nager, Providence RI.
- Miami, FL, August 22 2006, Esthetic Provisional Restorations for Single Implants. Full day program presented to the referral base of Dr. Anthony Sclar.
- New York City, NY, July 19, 2006, "CAD/CAM Abutments and Bars; Surgical & Restorative Collaboration in Implant Dentistry", Afternoon program presented at Yankee Stadium.
- Amelia Island, FL, June 30-July 2, Provisional Implant Restorations and Ceramic Veneers, Sponsored by Emory University's Department of Continuing Medical and Dental Education.
- Edinburgh, Scotland, June 21, 2006, CAD/CAM Implant Technology for Treatment of Edentulism, Presentation made to 3i's European Business Unit.
- Denver, CO, May 19, 2006, Veneers and Single Implants, Full-day seminar presented to the referral base of Dr. Poulos.
- New York City, NY, May 17, 2006, Immediate restorations of single implants, Evening lecture sponsored by MOSA.
- Palm Beach Gardens, FL, May 5-6, 2006, "Meeting the Challenge of Rising Esthetic Expectations", Sponsored by 3i Institute.
- Las Vegas, NV, May 1, 2006, "Immediate Restorations on Implants", Sponsored by ACOMS and AAOMS.
- Dublin Ireland, April 28, 2006, An Implant Esthetic Hierarchy for optimal Outcomes. Presented at the Irish Dental Association.
- Kennesaw, GA, April 13, 2006, Smile Line Rehabilitation, Evening presentation to the referral base of Dr. John Carey.
- Jacksonville, FL, April 7, 2006, CAD/CAM Implant Abutments and Bars, Full-day seminar presented to the referral base of Dr. Michael Chanatry.
- Fairfield, CT, March 31, 2006, "Evolving technologies in implant and esthetic dentistry", Full-day seminar sponsored by Dr. Mike Sonick.
- Seattle, WA, March 17, 2006, AO Meeting, "Esthetic Provisional Restorations for Single Implants".
- Seattle, WA, March 16, 2006, "Advanced Restorative Technology to Increase Predictability and Simplicity of Implant Dentistry", Presented at 3i's Corporate Forum.
- Chattanooga, TN, March 9, 2006, "Esthetic Challenge of Multiple Implants", Evening lecture presented to the Chattanooga Dental Society.

- Maplewood, MN, February 24, 2006, "Advanced Technologies for Simplifying Implant Dentistry". Full-day seminar sponsored by Drs. Jensen and Jensen.
- Nice, France, February 17-18, 2006, Impact of CAD/CAM Technology on Restorative Predictability, Simplicity and Quality". Presented at the European Research and Technology Forum.
- Worcester, MA, February 3, 2006, CAD/CAM Abutments, Promoting Esthetics in the Restorative Practice. Full-day seminar presented to the referral base of Dr. Mariani.
- Miami, FL, January 21, 2006, CAD/CAM Precision: The New Reality for Implant Restorative Protocols", Miami Winter Meeting.
- Springfield, MO, January 14, 2006, Single and Multiple Implants, Ceramic Veneers, Full day seminar presented to the referral group of OMS Group of Springfield.
- Boston, MA, January 12, 2006, New Technologies, Evening seminar sponsored by 3i.
- Long Island, NY, December 16, 2005, "Advances and Controversies in Implant Prosthodontics", Full day seminar sponsored by the Peninsula Hospital Center.
- Charleston, WV, December 9, 2005, "Advanced Technologies for Simplifying Implant Dentistry", Full day seminar sponsored by Mountain State Oral Surgeons.
- Warwick, RI, December 2, 2005, "Advanced Technologies for Simplifying Implant Dentistry", Full-day seminar presented to the referral base of Drs. Ross, Nager and Pierce.
- Richmond, VA, November 17, 2005, New Technologies, Evening lecture sponsored by 3i.
- Osaka, Kanazawa, and Tokyo, Japan, November 3-9, 2005, "The Next Generation Internal Connection Implant System". Sponsored by 3i Japan.
- Pasadena, CA, November 2, 2005, "Implant Rehabilitation of Edentulous Maxille", Evening lecture presented to the referral base of Lyle, Tate and Stamper.
- Philadelphia, PA, October, 20, 2005, New Technologies, Evening lecture sponsored by 3i.
- Pasadena, CA, October 12, 2005, "Demystifying Esthetic Complications of Single Implant Restorations", Evening lecture presented to the referral base of Lyle, Tate and Stamper.
- Philadelphia, PA, October 6-9, 2005, "Surgical and Restorative Collaboration", Interactive Implant Instruction (hands-on), and "Esthetic Challenge of Multiple Implants", Annual ADA Meeting.
- Abano, Italy, September 28 and 30, 2005, "Innovative Implant Technologies using CAD/CAM", International Congress, Sponsored by Biomat.
- W. Berlin, NJ, September 9, 2005, "Advanced Technology for Simplifying Implant Dentistry", Full day seminar sponsored by Colonial Dental Laboratory.
- Hilton Head, SC, August 25, 2005, "New Implant Technology for Treatment of Edentulism", Evening lecture to the referral base of Dr. Lee Oppenheimer.
- Columbia, SC, July 21, 2005, Surgical Guides and Edentulous Maxillae, Evening seminar sponsored by Dr. Jeff Dootson.

- Portland, OR, July 13, 2005, Topics TBD. Evening lecture presented to the referral base of Dr. Jay Malmquist.
- Seattle, WA, July 12, 2005, Topics - TBD. Evening lecture presented to the referral base of Dr. Dan Friedman.
- Amelia Island, FL, July 1, 2005, "Smile Line Rehabilitation", Half-day seminar sponsored by Emory University's Department of Continuing Medical and Dental Education .
- Toronto, Canada, June 16, 2005, "Innovative implant Technologies using CAD/CAM", Evening lecture sponsored by 3i Canada and 3M.
- Palm Beach Gardens, FL, June 10-11, "Techniques and Technology to Simplify Implant Dentistry", One and one half day seminar presented to the referral base of Dr. Dan Friedman.
- Boston, MA, June 8, 2005, Topics - TBD, Full day seminar presented to the referral base of Dr. Marc Nevins.
- Columbus, OH, June 3, 2005, "New Techniques & Technology to Enhance Implant Outcomes", Hosted by Ohio State University.
- San Francisco, CA, May 20, 2005, "Techniques and Technology to Enhance Implant Outcomes", Los Gatos Oral Facial Surgery Group.
- Woodbridge, VA, May 13, 2005, "Evolving technologies in implant and esthetic dentistry", Full-day seminar hosted Dr. Richard Tami.
- Washington, DC, April 30, 2005, "The Esthetic Implant Continuum: Secrets of Esthetic Implant Restorations", DC Dental Society.
- Richmond, VA, April 22, 2005, "New Implant Technologies", Full-day seminar presented to the referral base of Drs. McAndrew, Richardson & Keeney.
- Denver, CO, March 31, 2005, "Esthetic Challenge of Multiple Implants". Evening lecture presented to the referral base of Dr. Aldo Leopardi.
- Atlanta, GA, March 17-19, 2005, The Thomas P. Hinman Dental Meeting, Featured Speaker, "Surgical and Restorative Collaboration: Predictability in Implant Dentistry", (presented with Dr. Mollie Winston); "Effective Implant Protocols in the Esthetic Zone"; and "Technology and Techniques for Ceramic Veneers".
- Orlando, FL, March 12, 2005, "Encode Virtual Design and Computer-Milled Implant Abutments", AO Annual Meeting.
- Orlando, FL, March 12, 2005, "Treatment Planning and Implant Team Coordination", AO Annual Meeting, Dental Implant Coordinators Program.
- Orlando, FL, March 10, 2005, "Encode Virtual Design and Computer-Milled Implant Abutments", AO Corporate Forum.
- Petersburg, VA, March 4, 2005, "Integrating Implants into Comprehensive Treatment Plans - Update 2005", Full-day seminar presented to the referral base of Dr. Randy Ragsdale.

- Asheville, NC, February 19, 2005, "Demystifying Esthetic Complications of Single Implant Restorations", Half day seminar presented to the NC 1st District mid-winter meeting.
- West Palm Beach Gardens, FL, February 2-5, 2005, "Utilizing CAD/CAM technology to increase the predictability and simplicity of restorative implant dentistry", 3i's International Symposium.
- Scarsdale, NY, January 26, 2005, "Teamwork in Implant Dentistry", Full day seminar presented to the referral base of Dr Evan Chafitz.
- Palm Beach Gardens, January 21, 2005, Topics- Certain, Diem, CAM StructSURE, Encode, 1/2 day seminar presented at the 3i Institute.
- Paris, France, January 15, 2005, "Esthetic Results for Single Edentulism and ARCHITECH", French Congress.
- Chicago, IL, December 4, 2004, "Computerized Techniques for Improving Crowns on Implants", AAOMS Dental Implant Conference.
- Lansdale, PA, December 3, 2004, Innovations Seminar, Full-day implant seminar to be presented to the referral base of Drs. Fredd, Deasy, Spampata & Shulman.
- Chicago, IL, November 20, 2004, "The Role of Prosthodontics in Esthetic Dentistry", Seminar presented at the Prosthodontic Review Course for the ACP.
- Southington, CT, November 17, 2004, "Techniques & Technology to Enhance Implant Outcomes", Full-day seminar presented to the Connecticut State Dental Society.
- Palm Beach Gardens, FL, November 12, 2004, "Practical Implant Technologies for the Laboratory Technician", Full day lecture sponsored by 3i.
- Roswell, GA, November 9, 2004, "Overcoming the Restorative Challenge of Severely Worn Dentition", evening lecture presented to the referral base of the Seattle Study Club of Atlanta.
- Philadelphia, PA, November 5, 2004, "Techniques and Technology to Enhance Implant Outcomes", full-day seminar presented to the referral base of Drs. Tress & Levin.
- Philadelphia, PA, November 4, 2004, "Profitability and Esthetics of Single Tooth Implants", evening lecture presented to the referral base of Dr. Ralph Kaye.
- Scranton, PA, October 27, 2004, "Current Trends & Concepts in Implant and Esthetic Dentistry", full-day seminar presented to the referral base of Dr. Joe Kelly.
- Knoxville, TN, October 29, 2004, "Techniques & Technology to Enhance Implant Outcomes", morning seminar sponsored by 3i.
- Miami, FL, October 15, 2004, "Techniques & Technology to Enhance Implant Outcomes", full-day seminar presented to the referral base of Drs. Chase & Ramirez.
- Osterville, MA, October 7, 2004, "Effective Implant Protocols in the Esthetic Zone", evening seminar presented to the referral base of Dr. Robert Faiella.
- Orlando, FL, October 2, 2004. "Interactive Implant Instruction" Half-day seminar presented twice at the Annual Meeting of the American Dental Association.

- Orlando, FL, October 1, 2004. "Surgical and Restorative Collaboration: Predictability in Implant Dentistry" Half-day seminar presented at the Annual Meeting of the American Dental Association.
- Calloway Gardens, GA, September 28, 2004, "Simplicity through Innovation: Advanced Technologies and Techniques for Simplifying Implant Dentistry", Evening lecture presented for Implant Innovations, Inc.
- Atlanta, GA, September 1, 2004. "Ensuring Optimal Esthetic Results and profitability with Single Tooth Implants", Evening presentation to Dr. Paul Korb's referral base.
- West Palm Beach, FL, August 20-21, 2004, "The New Wave of Technology for Implant Dentistry", Half day seminar presented at 3i's Train-the-Trainer program.
- Bogotá, Columbia, August 19, 2004, "Progressive Techniques and Technology That Simplify Implant
- Gulfport, MS, August 13, 2004, "Profitability and Value of Single Tooth Implants", full-day seminar presented to the referral base of Dr. Jeffrey Taylor.
- Alpharetta, GA, July 8, 2004, Orientation for STP, evening lecture presented to the referral base of Dr. Meribhan.
- Amelia Island, FL, June 25-27, 2004. "Beauty and the Beast", 2-half day seminars presented for Emory University Department of Continuing Medical and Dental Education.
- Wantagh, NY, June 18, 2004, "Current Topics in Advanced Implant Prosthetics", Full-day seminar presented to the referral base of Dr. Leslie Batnick.
- Virginia Beach, VA, June 11, 2004. "Collaborative Partnering: Teamwork in Implant Dentistry", Full-day seminar presented to the referral base of Dr. Konikoff.
- Nashville, TN, May 28, 2004, Innovations Seminar, Full-day seminar presented to the referral base of Dr. John Peden.
- Snellville, GA, May 26, 2004, Innovations Seminar, evening lecture for the referral base of Dr. Haddad.
- Cincinnati, OH, May 19, 2004. "Staying Ahead of the Curve: Esthetic Concepts for Traditional and Implant Dentistry", Full-day seminar presented to the Cincinnati Dental Association.
- West Orange, NJ, May 5, 2004, "Profitability and Value of Single Tooth Implants", Half-day seminar presented to the referral base of Drs. Galiano and Greenfield.
- Chicago, IL, April 21, 2004, "Current Trends & Concepts in Implant Dentistry", Full-day seminar presented to referral base of Orchard Periodontics.
- LaJolla, CA, April 17 and 18, 2004, "Collaborative Partnering: Teamwork in Implant Dentistry", Full-day seminar presented to the Southwest Academy of Oral and Maxillofacial Surgeons.
- Lynchburg, VA, April 2, 2004, "Ceramic Veneers: The Basis of the Esthetic Practice", Full-day seminar presented to the Piedmont Dental Society.
- Toronto, Canada, March 24, 2004, Innovations Seminar, evening lecture presented to the

Toronto Implant Study Club.

- San Francisco, CA. March 20, 2004, “An Economic Comparison Between Single Implants and Fixed Partial Dentures”, presented at the Lunch and Learn Seminars of the Academy of Osseointegration Annual Meeting.
- San Francisco, CA. March 19, 2004, “Diagnostic Collaboration Between Dentists and Technologists for Optimal Implant Outcomes”, presented to the Academy of Osseointegration Annual Meeting.
- New York, NY, March 5, 2004, “Contemporary Treatment Planning for Esthetic Implant Restorations”, Full-day seminar presented to the New York Dental Forum.
- Petersburg, VA, January 30, 2004. “Integrating Implants into Total Treatment Planning Concepts”, Full-day seminar presented for referral base of Drs. Ragsdale and Slagle.
- Philadelphia, PA, January 23, 2004. “Innovations Seminar”, Full-day seminar presented for Implant Innovations, Inc.
- King of Prussia, PA, January 22, 2004. “Techniques & Technology to Enhance Implant Outcomes”, Evening seminar presented to referral base of Dr. Scott Smith.
- Providence, RI, January 10, 2004. “A Dynamic Approach to Implant Esthetics”, Full-day seminar presented to the Seattle Study Club.
- Mystic, CT, January 9, 2004. “A Dynamic Approach to Implant Esthetics”, Full-day seminar presented to Shoreline Periodontics.
- Charlotte, NC, December 5, 2003. “The Esthetic Challenge of Adjacent Implants”, Full-day course presented at the Holiday Dental Conference.
- Seoul, South Korea, November 18-19, 2003: 3i Symposium in Seoul. Presented, “Options for Treating the Edentulous Patient”, and “Implants in Total Treatment Planning.”
- Tokyo, Japan, November 14-15, 2003: 3i Symposium in Tokyo. Presented “Options for Treating the Edentulous Patient”.
- Palm Beach Gardens, FL, November 7, 2003. Full-day course presented at the 3i Institute for Implant and Reconstructive Dentistry for Summit Oral and Maxillofacial Surgery.
- Atlanta, GA, October 31, 2003. “Collaborative Partnering: Teamwork in Implant Dentistry”, Full-day course presented to selected implant specialists in Atlanta.
- Atlanta, GA, October 27, 2003. Ceramic Veneers: The Basis of the Esthetic Practice. Presented to the Summit Study Club.
- Cherry Hill, NJ, October 24, 2003. Full day presentation to referral base of Dr. Greg Shupik, periodontist.
- Philadelphia, PA, October 16, 2003. Evening implant lecture presented to referral base of Dr. Greg Wolanin.
- Landsdale, PA, October 17, 2003. “Current Trends & concepts in Implant Dentistry”, full day seminar presented to referral base of Dr. Stuart Fredd.
- Vienna, Austria, October 10, 2003. European Academy of Osseointegration (EAO). Presented lecture, “ArtiTECH PSR and CAM StrucSURE titanium superstructures for treatment of edentulism.

- Bethesda, MD, October, 2, 2003, Bethesda Naval Dental School. ½ day seminar on implant esthetics.
- Washington, DC, October 1, 2003. Implant Society of Northern Virginia. Evening seminar on dental implants.
- Charleston, SC, September 25, 2003. Full day implant seminar to Palmetto Oral and Maxillofacial Surgery.
- Nashville, TN, July 16, 2003. The Annual Meeting of the Academy of General Dentistry. Effective Implant Restorative Protocols in the Esthetic Zone; A full day participation course.
- Columbia, SC, July 10, 2003. The Business of Implant Dentistry: The Edentulous Mandible, presented to the referral base of Dr. Mark Dootson, oral surgeon.
- Amelia Island, GA, June 27-29, 2003. Beauty and the Beast. Three day seminar presented to The Department of Continuing Dental Education, Emory University.
- Broomall, PA, May 20, 2003. Current Trends and Concepts in Implant Dentistry. Evening seminar presented to referral base of Dr. John Wytosek.
- Yardley, PA, May 21, 2003. Designing for Exceptional Implant Esthetics. Full day seminar presented to referral base of Dr. Paul Rosen.
- Lexington, KY, May 16, 2003. A Predictable Approach to Exceptional Implant Esthetics. Full day seminar presented for the Department of Continuing Dental Education, The University of Kentucky School of Dental Medicine.
- Worcester, MA, March 27, 2003. Evening lecture for Northeast Study Club. Sponsored by Dr. Gene Mariani.
- San Antonio, TX, March 26, 2003. Full day implant lecture presented to the referral base of Alamo Oral Surgery. Sponsored by 3i.
- Pittsburgh, PA, March 7, 2003. Full day lecture on implants for the Seattle Study Club.
- Stamford, CT, February 12, 2003. Advancing the Restorative Practice, presented for Implant Innovations, Inc.
- Warner Robbins, GA, February 7, 2003. Enhancing Esthetic Results in Implant and Restorative Dentistry. Presented for the referral base of Dr. Russell Eyeman.
- Orlando, FL, November 6-9, 2002. The Annual Meeting of The American College of Prosthodontists. Featured speaker, private practice seminar titled, "Promoting Esthetics in the Prosthodontic Practice."
- Arlington, VA, November 2, 2002. The Annual Meeting of the Academy of Contemporary Dental Education, The Dental Quarterback. Featured Speaker.
- Montreal, Canada, August 23-24, 2002. The Annual Meeting of the International College of Oral Implantology, Featured speaker.
- Amelia Island, FL, August 16-17, 2002. The Annual Meeting of the Georgia Dental Association. Featured Speaker on implant dentistry.
- Fairfield, CT, May 10, 2002. Full day, "Implant Update" for referral base of Dr. Michael Sonic. Subsidized by Implant Innovations, Inc.

- Alton, IL, May 3, 2002, Southern Illinois U. School of Dentistry. Full day implant presentation.
- Providence, RI, April 24, 2002. Full day implant lecture presented for Implant Innovations, Inc.
- Atlanta, GA, March 23, 2002. Essential Elements of Implant Esthetics. Presented at the Hinman Dental Meeting.
- Dallas, TX, March 15-15, 2002. Served as Clinical Champion for Implant Innovations at 17th Annual Meeting of the Academy of Osseointegration.
- Ashville, NC, March 6, 2002. Advancing the Restorative Practice. Full day seminar for Rockland Oral Surgery.
- Washington, DC, February 27, 2002. Four full day session of hands-on implant restorative training for referral base of Drs. Guttenberg and Emery.
- Vail, CO, January 21-25, 2002. Emory University Ski and Learn. Daily lectures presented to participants.
- Ft. Lauderdale FL, January 11, 2002. Simplicity through Innovation, presented to Nova University School of Dentistry, Internet Interactive Distance Learning Program.
- West Palm Beach, FL, January 4, 2002. Simplicity through Innovation. Full day seminar presented to the referral base of Dr. Stuart Feldman.
- Charleston, WV, December 7, 2001. All day lecture to Mountain States Oral Surgery. Implant Innovations, Inc.
- Tyson's Corner, VA, November 30, 2001. Simplicity through Innovation. Presented to Prizm Dental Group. Subsidized by Implant Innovations, Inc.
- Mexico City, Mexico. October 29, 2001. XXVI International Congress of the Mexican Dental Association. Featured Speaker.
- Framingham, MA, October 9, 2001. Evening lecture presented to The Periodontal Associates Study Club.
- Worcester, MA, September 28, 2001. Full day presentation to the Central New England Dental Research Group.
- Monterey CA. June 29, 2001. Full day presentation to referral base of Dr. Terry Slaughter. Sponsored by Implant Innovations, Inc.
- Atlantic City, NJ. June 9, 2001. Full day presentation to Periodontal Associates of South Jersey. Sponsored by Dr. Richard Dannenbaum and Implant Innovations, Inc.
- Fairfield, CT, May 11, 2001. Full day implant lecture presented to referral base of Dr. Michael Sonic. Sponsored by Implant Innovations, Inc.
- Toronto, Canada, March 22-24, 2001. Full day lecture on implants for the Academy of Osseointegration.
- Norcross, GA, February 17, 2001. "Periodontics for the new millennium." Full day lecture sponsored by the Georgia Society of Periodontists. Also served as moderator.
- Providence, RI, February 9, 2001. Providence Plantation Study Club. Full day lecture sponsored by Implant Innovations, Inc.

- Vail, CO, January 19-24, 2001. Emory University Department of Continuing Education, 10th Annual Ski and Learn.
- Lexington, KY, December 8, 2000. Department of Continuing Dental Education, University of Kentucky School of Dentistry. Full day lecture on implant dentistry.
- Virginia Beach, VA, November 9, December 1, 2000, Jan 5, and March 3, 2001, STP Implant Training Course for referral base of Dr. Albert Konikoff.
- Woodbridge, NJ, October 18, 2000. Predictable Consistency in Fixed Prosthodontics. Full day lecture to Northeast Periodontal Society.
- Denver, CO, August 3-4, 2000. Two full-day lectures to Osseointegration Institute of Colorado. Sponsored by Dr. Ole Jensen, oral surgeon.
- Pensacola, FL, April 21, 2000. Full day lecture to referral base of Dr. David Williams.
- San Francisco, CA, March 31, 2000. Featured speaker at the 10th Annual Meeting of the International College of Oral Implantologists.
- Atlanta, GA, March 23-24, 2000. Special Lecturer, Annual Hinman Dental Meeting.
- Chicago, IL, March 11, 2000. All day lecture to referral base of Drs. Hochstedter and Issacson. Sponsored by 3I Inc.
- Trevese, PA, January 27, 2000. Implant Dentistry in the Real World. Full-Day course presented to the referral base of Drs. Barry Levin and Emmanuel Tress.
- Fairfax, VA, November 11, 1999. Fast Track to Productivity. Presented to Fairfax Implant Study Club. Sponsored by Dr. Stuart Graves.
- Fairfield, CT, October 6, 1999 – April 4, 2000. Six full-days of continuing education in implant dentistry, cosponsored by Implant Innovations, Inc.
- Tampa, FL, May 6, 1999, “Time is Money”. Presented to the Tampa Implant Study Club and self-sponsored.
- Atlanta, GA, February 6, 1999. “A Team Approach to Implants & Esthetic Dentistry.” Full-day seminar presented with Abe Shuster, DDS.
- Pasadena, CA, January 21, 1999. “The Seven Habits of Highly Effective Implant Restorations.” Presented to the referral base of Drs. Lytle, Tate & Stamper.
- La Crosse, WI, January 14-15, 1999. “Esthetic Excellence in Fixed Prosthodontics and Implant Dentistry”. Presented to the Gundersen/Lutheran 37th Annual Dental Seminar.
- Toronto, Ontario, Canada, November 12, 1998. “Implant Prosthodontics in the Real World”. Featured full-day speaker at the Ontario Study Club for Osseointegration.
- Atlanta, GA, October 31, 1998. “Implants vs. Conventional Dentistry—It’s Easier Than You Think”, Invited lecturer at the Implant Systems Update ’98 for the International Center for Accelerated Dental Learning.
- Saint Paul, MN, October 23, 1998. “Esthetic Excellence in Cosmetic and Implant Dentistry”. Full day seminar presented to the Comprehensive Care Study Group, sponsored by Drs. Jane and Robert Jensen.
- New Orleans, LA, September 19, 1998. “Cemented Implant Restorations for Predictable Performance and Profits”, invited lecturer at the Corporate Showcase Forum for the

American Academy of Oral and Maxillofacial Surgery (AAOMS).

- Annapolis, MD, September 18, 1998. “Esthetic Excellence in Cosmetic and Implant Dentistry”, full day seminar presented to the Comprehensive Care Study Group, Drs. Neal Sullivan and Cliff Walzer.
- Fort Myers, FL, August 20, October 2,3, and November 6, 1998. “Interactive Implant Instruction”, 4 full day seminar presented to referral base of Dr. Ron Tachner, sponsored by Implant Innovations, Inc.
- Boston, MA, Boston University School of Dentistry, June 12-13, 1998. “A Team Approach to Implants & Esthetic Dentistry”, presented 2 day course with Dr. Abe Shuster. Sponsored by Boston U.
- Atlantic City, NJ, June 4-5, 1998. “Functional and Esthetic Success with Implant Restorations”, two-day participation course presented at the Annual Meeting of the NJ Dental Association. Sponsored by Implant Innovations, Inc., and the New Jersey Dental Association.
- Texarcana, AK, May 11, 1998. “Implant Dentistry”, All-day lecture sponsored by Implant Innovations, Inc. and Dr. Kirby Bunel.
- Atlanta, GA, May 4, 1998. “Shade Selection for Optimal Esthetics.” Co-presented with Larry Lindke, CDT as part of “Midtown Mini-Residency”. Sponsored by Summit Study Club.
- Pompano Beach, Fl, April 14, 1998. “Anatomy of Esthetics”, evening lecture presented to the South Florida Implant Study Group, sponsored by Dr. Michael Logue.
- Fairview, Virginia, March 12, 1998. “Anatomy of Esthetics”, evening lecture presented to the Implant Society of Northern Virginia, sponsored by Dr. Stuart Graves.
- Cozumel, Mexico, March 1-3, 1998. “Esthetics in Traditional and Implant Dentistry”, 3 day course presented to the Chicago Study Club.
- Aruba, Netherlands Antilles, February 12-14, 1998. “New Dimensions in Implant Dentistry”, 3 day course presented by Implant Innovations, Inc.
- Atlanta, GA, January 19, 1998. “Anatomy of Esthetics”, as part of the “Backyard Talent” series of the Hinman Dental Society, presented at the Georgia World Congress Center.
- Atlanta, GA, January 17, 1998. One-half day lecture presented to the Georgia Society of Periodontics at their annual meeting. “The Anatomy of Esthetics”. Presented with Dr. Abe Shuster.
- Savannah, GA, October 18, 1997. One-half day lecture presented to the Georgia Society of Periodontics at their annual meeting, “The Anatomy of Esthetics”. Presented with Dr. Abe Shuster.
- Atlanta, GA, September 1997 – January 1998. STP Implant Training Program presented to referral base of Dr. Greg Marks and Dr. Mollie Winston. Four full days of implant instruction.
- Atlanta, GA, October 1997 – February 1998. STP Implant Training Program presented to referral base of Dr. Jeff Sherry and Dr. Jennifer Diversi. Four full days of implant

instruction.

- Atlanta, GA, September 26 and 27, 1997. Two day lecture presented at Emory University annual alumni course, “Implants in Total Treatment Planning”, sponsored by Emory University Department of Continuing Education.
- West Palm Beach, FL, September 24, 1997. Integrating Implants into Total Treatment Planning Concepts. Full-day course sponsored by Implant Innovations, Inc.
- Quincy, IL, September 9, 1997. One-half day lecture, Treatment planning for implant esthetics, sponsored by Dr. Arnold Freeman and Implant Innovations, Inc.
- Buenos Aires, Argentina, August 22 and 23, 1997. All-day lecture, “Treatment Planning for Optimal Implant Esthetics”, sponsored by New York University College of Dentistry and Implant Innovations, Inc.
- Australia, including Sydney, Melbourne, Brisbane, Perth, and Adelaide, July 4-July 14, 1997. All-day lectures on Esthetic Concepts of Fixed and Implant Prosthodontics. Sponsored by The Australian Prosthodontic Society and Implant Innovations, Inc.
- Albany, New York, June 22, 1997. All-day lecture, “The Esthetic Evolution of Implant Dentistry”, presented to the referral base of Dr. John Sowalsky. Sponsored by Implant Innovations, Inc.
- Miami, Florida, June 6, 1997. All-day lecture, “Integrating Implants into Total Treatment Planning Concepts”, presented at Nova University, sponsored by Implant Innovations, Inc.
- Naples, FL, May 31, 1997. All-day lecture titled “Integrating Implants into Total Treatment Planning” presented to the referral base of oral surgeon, Dr. Jean Moran, sponsored by Implant Innovations, Inc.
- Greatneck, NY, May 2, 1997. All-day lecture; “Maximizing the Esthetic Potential of Implant Dentistry”, for referral base of Dr. Glenn Ludwig Oral Surgery Group, sponsored by Implant Innovations, Inc. and Dr. Glenn Ludwig.
- New Brunswick, NJ, April 29, 1997. All-day lecture; “Maximizing the Esthetic Potential of Implant Dentistry”, for referral base of Livingstone Oral Surgery Group, sponsored by Implant Innovations, Inc.
- Providence RI, April 12, 1997, “Esthetic Potentials of Implant Dentistry”. All-day Seminar for RI Oral Surgery.
- Atlanta, GA, Hinman Dental Meeting, March 22, 1997. “Expanding Treatment Philosophy with Dental Implants. Saturday Seminar Featured Speaker.
- Ashville, NC, March 14, 28, April 2, and 18, 1997 STP Implant training program. Sponsored by Implant Innovations, Inc.
- Augusta, GA, March 3, 1997. US Army Postgraduate Course in Prosthodontics. One half day course. “Implant Dentistry and its Possibilities.”
- Boston, Mass. Yankee Dental Congress, January 25, 1997. All day participation course, “Hands-On Implants.”
- New York, New York, January 8, 1997. Presented evening implant seminar to the NYU

School of Dentistry Implant Study Group.

- Paris, France, November 28-29, 1996. 3I Symposium. The French Society of Periodontology. Esthetic Perspectives and the Limits of Single Tooth Implants.
- Ft. Lauderdale, Florida, November 14-15, 1996. Two-day general and advanced participation course on behalf of 3I to referral base of Dr. Barry Kligerman, and to Seattle Study Club.
- Chicago, Ill, November 5, 1996. Full-day lecture to referral base of Dr. Stephen Herzog, "Integrating Implants into Dynamic Treatment Planning."
- Santiago, Chile, October 25-26, 1996. 3I Symposium in Latin America, featured speaker.
- Annapolis, MD, October 18, 1996. Interactive Implant Instruction, Session II in conjunction with 3I for referral base of Dr. Horace Wood, oral surgeon.
- West Palm Beach, FL, September 27, 1996. All-day lecture for Implant Innovations, Inc., "Integrating Implants into Dynamic Restorative Treatment Planning,"
- Dalton, GA, September 20, 1996. All day lecture to North Georgia Study Club at Second Annual Meeting. One-half day on fixed prosthodontics and one-half day on implant dentistry.
- Annapolis, MD, September 18, 1996 – January 7, 1996. STP Implant Training Program. Four, all-day sessions for referral base of Dr. Horace Wood, in conjunction with Implant Innovations, Inc.
- Orlando, FL, August 24, 1996. Florida Prosthodontic Association. "Do Implants Arrest the Cycle of Rerestoration. One hour lecture.
- Slidell, LA, August 23, 1996. One-half day lecture to referral base of Dr. Tom Mabry on implant dentistry.
- Greensboro, NC, June 21, 1996. Full day lecture for Implant Innovations, Inc.
- Springfield, VA, June 12, 1996. Full day lecture to referral base of Peter Passero in conjunction with Implant Innovations, Inc.
- Chicago, Il, May 1, 1996, Lutheran General Hospital, "Integrating Implants into Dynamic Restorative Treatment." All day lecture.
- Charleston, SC, April 20, 1996. Two hour lecture to the South Carolina Dental Exchange. Full day course presented with Howard Farran, DDS, Daniel Materdomini CDT, and Cliff Wilson, DDS.
- New York, New York, April 4, 1996. All-day lecture to be presented to NYU residents on implant dentistry.
- New London, CT, March 25, 1996 to Shoreline Periodontics. Full day lecture to 80 participants.
- Severna Park, MD, March 26, 1996. Evening lecture to referral base of Drs. Horace Wood and A. Stott Carleton.
- Fairfield, CT, March 22, 1996. Full day, hands-on lecture to referral base of Dr. Michael Sonic.
- Albany, GA, March 19, 1996. Evening lecture to South Georgia Study group, "Esthetic
